March 2020

COVID-19

Kopystop is currently open for business.

As a health and safety precaution, we continue to operate with minimal staff.

Kopystop act upon the advice and direction from the Australian Federal Government and NSW State Government.

In these very challenging times, business hours of operation may vary from time to time or day to day; as we too come to terms with COVID-19. Some days we may open late or close early. Some days we may not be open, due to circumstances beyond our control.

Keep in touch with Kopystop.

Our email is constantly monitored, along with social media such as Facebook and Instagram. Orders, enquiries and requests can also be uploaded via the Kopystop website, alternatively call us on (02) 9211 2733.

Some of our services may be disrupted or unavailable during this period of COVID-19 uncertainty, as we all navigate our way through unprecedented times; we are all in this together.

The health and safety of all our staff, our clients, our neighbouring businesses, the vulnerable and the general population of Australia is our highest priority.

We are taking every precaution to minimise contact, having adopted necessary measures as recommended by the Australian Government Department of Health Chief Medical Officer.

Kopystop is a family business, like all families with children; we too are experiencing and dealing with many unexpected and new challenges. We appreciate your understanding and cooperation as together, as a nation; we deal with the consequences of COVID-19.

Stay Safe!
